

## **Attention Editors & Reporters**

**The Economic Club of Washington, D.C. welcomes**

**Anthony S. Fauci, M.D.**

**Director, National Institute of Allergy and Infectious Diseases (NIAID), NIH**

Dr. Fauci will join David Rubenstein, president of the Economic Club of Washington for a wide-ranging conversation expected to cover such topics as Dr. Fauci's management of NIAID's \$4.7 billion budget, the Institute's extensive research portfolio, and recent developments related to HIV/AIDS, ebola, influenza, tuberculosis, malaria, Zika virus and other global health threats.

Dr. Fauci is one of the world's foremost experts on the prevention and treatment of HIV/AIDS. He played a key role in developing the drugs that turned HIV infection from a fatal to a manageable disease, and in research efforts to create vaccines for pandemic influenza, ebola, and other important diseases. Dr. Fauci has been a key advisor to five U.S. presidents on global health issues and has served at the request as a national spokesperson on the appropriate public response to the recent Ebola outbreak as well as many other infectious disease outbreaks.
